--	---	--

	<ul style="list-style-type: none"> • This legislation aims to prevent and mitigate the burden of unpaid medical debt bills on District families, while increasing transparency in medical billing and ensuring fair debt collection. The high-level summary of the bill would be to strengthen large health care facilities financial assistance policies, create protections to mitigate the burden of medical debt, update medical debt collection practices, and establish legal enforcement and oversight. • This bill was referred to the Committee on Health and received a hearing on December 15th. DC Health testified during this hearing and expressed support for the intent of the legislation, emphasizing the public health impacts of medical debt and urging clarifications to ensure consistent implementation, alignment with existing healthcare and Medicaid policies, appropriate facility scope, and protections that reduce financial harm while maintaining the sustainability of the District’s healthcare system. A markup was held on April 7 and can be watched here.

<p>OS-26-04-05</p> <p>ALL</p>	<p><u>DC PRESCRIPTION DRUG MONITORING PROGRAM</u></p> <p>Board Action: The executive director for the Board of Pharmacy will present on the District of Columbia Prescription Drug Monitoring Program (DC PDMP), including its purpose, enrollment requirements, and guidance on registration and account access for licensees.</p> <p>Background: The District of Columbia Prescription Drug Monitoring Program (DC PDMP) is an electronic database that monitors the dispensing of Schedule II-V controlled substances. The database supports safe prescribing practices and provides dispensing data to help prevent the misuse and diversion of controlled substances. The PDMP aims to improve the District’s ability to identify and reduce diversion of prescription drugs in an efficient manner without impeding appropriate medical use.</p> <p>In the District of Columbia, licensees are required to enroll with PDMP within 90 days of initial licensure. The program allows authorized users to register review a patient’s prescription history in accordance with prescribing and dispensing practices. Compliance with PDMP laws and regulations, including appropriate use of the system, is expected as part of professional practice. This presentation is intended to increase awareness of DC PDMP and to inform both providers and dispensers about the importance of the program, as well as how to register for and utilize the system.</p>	
<p>OS-26-04-06</p> <p>ALL</p>	<p><u>ETHICS FOR PUBLIC PROTECTION – EBAS OVERVIEW</u></p> <p>Board Action: The Board will receive a presentation on the Ethics and Boundaries Assessment Services (EBAS) and consider its potential use in disciplinary and remediation matters.</p>	

	<p>Background: The Ethics and Boundaries Assessment Services (EBAS) is a scenario-based assessment tool designed to assist regulatory boards in evaluating a licensee’s ethical reasoning and professional judgment following a violation. The assessment uses real-world case scenarios and written responses to measure a licensee’s understanding of ethical issues, consequences, and responsibilities, including impacts on public protection.</p> <p>This presentation will provide additional information on how EBAS provides an objective, third-party evaluation with standardized scoring, helping boards assess a licensee’s insight, accountability, and readiness for continued or reinstated practice. It is commonly used as part of disciplinary and remediation processes to support informed and consistent decision-making.</p>
