

# **BOARD OF NURSING**

## **Open Session Agenda**

**January 23, 2019**

**9:00 am – 11:00 am**

**BOARD MISSION STATEMENT:**

“The mission of the Board of Nursing is to safeguard the public’s health and well-being by assuring safe quality care in the District of Columbia. This is achieved through the regulation of nursing practice and education programs; and by the licensure, registration and continuing education of nursing personnel.”

**i. Board Meeting Change**

Recently DC Health was sent a newsletter from the Office of Open Government (OOG) stating that pursuant to the Open Meetings Act, all meetings must begin in open session and end back in open session to adjourn the meeting. In response, the meeting schedule and agenda have been modified to comply with this guidance.

Additionally, various changes have been made to the agenda to make it more consistent with DC Health branding efforts across HRLA.

**ii. Electronic Distribution of Agendas**

Future agendas and related materials will be distributed to Board members via electronic methods. The Executive Director will provide a brief demonstrating of how such systems work.

**iii. 2019 NCSBN Midyear Meeting**

The 2019 NCSBN midyear meeting is scheduled for March 25, 2019, in San Antonio, TX. Two (2) representatives from the DC Board of Nursing may be able to attend this meeting.

**iv. 2019 APRN Roundtable & Consensus Forum**

The 2019 APRN Roundtable is scheduled for April 9, 2019, in Rosemont, Ill, which will be followed by the APRN Consensus Forum on April 10, 2019.

The roundtable will focus on the “challenges and innovations in APRN education”, and is an opportunity for APRN stakeholders to discuss common issues/concerns regarding APRNs.

The consensus forum is only for NCSBN Executive Officers and one board representative.

	<p><b>v. Upcoming Renewals</b> Staff has begun early discussions with IT on the LPN renewals that will be happening this Spring. Several improvements have already been made to the renewal system that address the issues experience in the most recent nursing renewals.</p> <p><b>C. BOARD ATTORNEY'S REPORT</b></p>

**MISC. ITEMS**

OS-19-01-03	<p><b><u>CALCULATION OF NCLEX PASS RATE</u></b></p> <p><b>Board Action:</b> To determine whether to modify the existing formula for determining “first time exam passage rates”.</p> <p><b>Background:</b> Currently the exam passage rate for graduates of nursing programs taking the exam the first time is based solely on the fact they are taking the exam for the first time, regardless of when they graduate. Data indicates the longer an individual waits to take the exam, the greater the chance of failing, which can negatively impact the “first time exam passage rates”. Board Members previously asked staff to look into this issue and provide some language addressing the delay in test taking.</p> <p>This matter was originally presented at the December 2018 meeting, however based on staff recommendations it was tabled for discussion at the next available meeting.</p>	BJ
OS-19-01-04	<p><b><u>LIVE. LONG. DC.</u></b></p> <p><b>Board Action:</b> To review the District’s strategic plan to reduce opioid use, misuse, and related deaths.</p> <p><b>Background:</b> On December 24, 2018, the Department of Behavioral Health (DBH) released the District government’s plan to reduce opioid use, misuse, and related deaths, titled “Live. Long. DC.” The plan focuses on seven (7) goals with multiple strategies. These goals are:</p> <ol style="list-style-type: none"><li>1. Reduce legislative and regulatory barriers to create a comprehensive surveillance and response that supports sustainable solutions to emerging trends in substance use disorder, opioid-related overdose, and opioid-related fatalities.</li><li>2. Educate Washington, DC residents and key stakeholders on the risks of opioid use disorders and effective prevention and treatment options.</li><li>3. Engage health professionals and organizations in the prevention and early intervention of substance use disorder among Washington, DC residents.</li><li>4. Support the awareness and availability of, and access to, harm reduction services in Washington, DC.</li><li>5. Ensure equitable and timely access to high-quality substance use disorder treatment and recovery support services.</li></ol>	FM

	<p>6. Develop and implement a shared vision between Washington, DC's justice and public health agencies to address the needs of individuals who come in contact with the criminal justice system to develop a culture of empathy for residents and their families.</p> <p>7. Develop effective law enforcement strategies that reduce the supply of illegal opioids in Washington, DC.</p>																	
OS-19-01-05	<p><b><u>OPIOID OVERDOSE TREATMENT AND PREVENTION OMNIBUS ACT OF 2018</u></b></p> <p><b>Board Action:</b> To review the “Opioid Overdose Treatment and Prevention Omnibus Act of 2018”, recently passed by the DC City Council.</p> <p><b>Background:</b> The “Opioid Overdose Treatment and Prevention Omnibus Act of 2018” was recently passed by the DC City Council and sent to the Mayor for signature. The bill, amongst others, requires “prescribers” to register with the District’s Prescription Drug Monitoring Program (PDMP) by March 31, 2019.</p>	FM																
OS-19-01-06	<p><b><u>NAP PROGRAM APPROVALS</u></b></p> <p><b>Board Action:</b> To review the exam scores and rates for the various nursing assistive personnel (NAP) training programs in the District.</p> <p><b>Background:</b> As part of the Board of Nursing’s regulatory authority, staff maintains data on exam passage rates and scores. This data is then used to determine whether education programs in the District meet requirements for approval by the Board of Nursing. The 2016 - 2018 examination data has now been gathered, and is being presented to the Board for review.</p> <p><b>HHA PROGRAMS</b></p> <table border="1" data-bbox="375 1535 1312 1856"> <thead> <tr> <th>PROGRAM</th> <th>STATUS</th> </tr> </thead> <tbody> <tr> <td>Allied Health &amp; Technology Institute</td> <td></td> </tr> <tr> <td>Bethel Training Institute</td> <td></td> </tr> <tr> <td>Healthwrite Training Center</td> <td></td> </tr> <tr> <td>Immaculate School of Allied Health</td> <td></td> </tr> <tr> <td>Innovative Institute</td> <td></td> </tr> <tr> <td>Intellect Health</td> <td></td> </tr> <tr> <td>OIC-DC</td> <td></td> </tr> </tbody> </table>	PROGRAM	STATUS	Allied Health & Technology Institute		Bethel Training Institute		Healthwrite Training Center		Immaculate School of Allied Health		Innovative Institute		Intellect Health		OIC-DC		BJ
