STAFF REPORTS

OS-0719-04	<p><u>EXECUTIVE DIRECTOR'S REPORT:</u></p> <p>Mrs. Ericka Walker, Executive Director for the Board of Dentistry, welcomed all Board Members, Staff and Guests to the Open Session meeting. In addition to informing meeting attendees about the Board's upcoming recess in August, Mrs. Walker reminded all attendees that the next board meeting is scheduled for September 20, 2023, which will be in-person though there will be an option to join the meeting virtually. Mrs. Walker also provided updates to meeting attendees regarding the transition in leadership as July 17, 2023, Dr. Ayanna Bennett, assumed her role as the Acting Director of DC Health. Mrs. Walker also shared that during today's meeting, there will be several presentations in response to questions and concerns brought up by meeting attendees last month regarding dental teaching licenses, dental assistant training schools and the 90-day Supervisory Practice Letter. This is to ensure that the public is well-informed and provides an opportunity for clarification.</p> <p>This concluded Mrs. Walkers' report.</p> <ol style="list-style-type: none"> 1. <u>BOD Calendar</u> <ul style="list-style-type: none"> • July 19, 2023 • August 2023 Recess • September 20, 2023, In-Person 2. <u>BOD Census</u> <p>Dentists (1,313)</p> <p>Dental Hygienists (549)</p> <p>Dental Hygienists with the authority to administer Local Anesthesia (104)</p> <p>Dental Hygienists with the authority to administer Local Anesthesia & Nitrous Oxide (88)</p> <p>Dental Hygienists with the authority to administer Nitrous Oxide (1)</p> <p>Dental Assistant Level 1 (147)</p> <p>Dental Assistant Level 2 (577)</p> <p>Teaching Licenses for Dentists (2)</p> <p>Teaching Licenses for Dental Hygienist (0)</p> 3. OS-0719-05	<p><u>BOARD ATTORNEY'S REPORT:</u></p> <p>Ms. Carla Williams, Board Attorney, informed meeting attendees about the Emergency & Proposed Rulemaking regarding temporary licenses which took effect on May 18, 2023 but was published on May 26, 2023 in the District of Columbia Register and was open for public comment for 30 days. Ms. Williams indicated that the document was provided last month in the materials but was listed on last month's agenda which caused the oversight. This amendment repeals the requirement that an applicant must complete a separate application and pay a separate fee, which will help streamline the process. Though the 30-day comment period has ended, the emergency rulemaking is still in effect and depending on the public comments received, it will be determined if any changes need to be made, moved forward to be finalized or if it will be republished for another public commenting period.</p>

OS-0719-08 LEGISLATIVE UPDATES – OFFICE OF GOVERNMENT RELATIONS

Matteo Lieb, Legislative Affairs Specialist

Mrs. Ericka Walker, Executive Director, Mrs. Walker informed meeting attendees about the Interprofessional Board Chair Committee (IBCC)'s symposium which is scheduled for September 2023. The IBCC, which is a collaborative work group comprised of seven health professional board-chairs, is led by DC Health's Chief of Staff, Dr. Jacqueline Watson, who will be providing more updates about the symposium as they become available.

Mr. Matteo Lieb added that ideally, all board members across all 19 health professional boards will participate in the symposium. Since it will not have the same structure as an official board meeting, it will provide an avenue for conversation amongst board members to facilitate collaboration and the bridging of the gap between clinical medicine and public health.

Mr. Matteo Lieb reported about several compacts which have been introduced for the Boards of Occupational Therapy and Professional Counseling, which follows directly behind the DC Nurse Licensure Compact Authorization Act of 2023 which was also previously introduced by DC Council. Mr. Lieb also reported on the **Health Professional Licensing Boards Residency Requirement Amendment Act of 2023 (Bill 25-312)** which attempts to address the vacancies on several health professional licensing boards. It allows for appointees who may not have residency in the district, but meet other criteria, to serve on the boards. A hearing was held for

	<p>this particular bill on July 13, 2023, of which Ms. Aisha Nixon, the Associate Director for the Office of Health Professional Licensing, expressed support for the need for innovative solutions for this matter and offered some proposed changes to make the bill easier to implement and have the best impact.</p> <p>Mr. Lieb also shared that the Dental Hygiene and Dental Assistant Scope of Practice Amendment Act of 2023 (Bill 205-347) was also introduced by the DC Council however, a hearing has not yet been scheduled at this time. Additionally, Mr. Lieb reminded all meeting attendees that DC Council is on recess until September 15, 2023.</p>
OS-0719-09	<p><u>DANB PRESENTATION</u></p> <p>Ms. Jackie Urban, Director of Certification Operations for the Dental Assisting National Board (DANB), provided a presentation to meeting attendees on the three pathways to becoming a Certified Dental Assistant and the examinations that support the Board's proposed rulemaking for the Level III – Dental Assistant license type. Additionally, Ms. Urban provided information on several other certifications provided by DANB in addition to exam fees and an overview of DANB's certification renewal requirements.</p> <p>Mrs. Ericka Walker clarified with Ms. Urban that the Certified Dental Assistant certification (which consists of the successful passing of the RHS, ICE and General Chairside exams) meets the qualification of Dental Assistant Level II in the District.</p> <p>Ms. Carla Williams also added that because DANB offered so many types of certifications, it was pertinent to update the wording in our regulations so that all potential applicants who are considering this pathway to licensure are clear that they are required to have a current and valid Certified Dental Assistant certification. In response to Ms. Jackie Urban's reporting that all Certified Dental Assistant certifications require an annual renewal, Ms. Williams reiterated that the public should be aware that it is the responsibility of the applicant to ensure that their CDA is indeed current and valid with DANB as failure to do so will be a barrier to licensure with DC.</p> <p>In response to Mrs. Walker's question about DANB certification expiration dates and renewal periods, Ms. Urban indicated that renewal is due 1 year after the issue date and every year thereafter. She also shared that CDAs receive notifications (via email and mail) to renew their certification which also requires 12 Continuing Education credits and a fee. There is 90-day grace period of which CDAs can still renew their certifications with an additional late fee.</p> <p>For the proposed Dental Assistant Level III registration type, Ms. Williams indicated that DC regulations mention that the applicant must have successfully completed and obtained the Certified Preventive Functions Dental Assistant certification (CPFDA) which consists of the candidate sitting for and passing the Coronal Polishing, Sealants and Topical Fluoride exams in addition to possessing the Certified Dental Assistant certification (Level II).</p>

OS-0719-10	<p><u>DENTAL/DENTAL HYGIENE TEACHING LICENSE PRESENTATION</u></p> <p>Mrs. Ericka Walker, Executive Director, provided a presentation on the requirements for the Dental and Dental Hygiene teaching license per the DC Board of Dentistry regulations. This includes the two pathways for a Dental teaching license: educational and by appointment. Mrs. Walker covered the criteria to be considered for either.</p>
OS-0719-11	<p><u>90-DAY SUPERVISORY PRACTICE LETTER PRESENTATION</u></p> <p>Mrs. Ericka Walker, Executive Director shared a brief overview of the 90-Day Supervisory Practice Letter and requirements for the approval of the SPL. Zaneta Batts, Health Licensing Specialist, provided a presentation on how to properly complete the 90-day Supervisory Practice letter and time-frame for approval.</p>
OS-0719-12	<p><u>DENTAL BOARD SUB-COMMITTEES</u></p> <ol style="list-style-type: none"> 1. <u>Credentials & Audits:</u> Dr. Iris Jeffries-Morton/Dr. John Bailey This sub-committee provided updates (in conjunction with Ms. Dorothy Thomas and Ms. Alesia Henry from the DC Office of the State Superintendent of Education/Higher Education Licensure Commission) regarding the process for opening a Dental Assistant training school in the District. The formal process, which is being finalized between DC Health and OSSE, indicates that an applicant who is interested in opening a Dental Assistant training school must first attend OSSE's new applicant workshop (which is held monthly) after which a formal application is submitted to OSSE for consideration. When it is approved, OSSE will refer the applicant's approved application, curriculum and pertinent information) will be referred to the Board as the subject matter expert, for the review and approval of their curriculum as well as training school site. 2. <u>Communications:</u> None 3. <u>Regulatory Affairs:</u> Dr. Judith Henry/Dianne Smith, Esq. This sub-committee reported that they are in receipt of the public comment from DC Dental Society. The full subcommittee will review those comments to provide recommendations during the next Board Meeting in September so that the Board will determine if it wants to move forward as is or make any editions to the proposed rulemaking.
OS-0719-13	<p><u>COMMENTS FROM PUBLIC</u></p> <p>Ms. Fatima Oglesby-Morris of HandsOn Dental Assistant training school, inquired about the Supervisory Practice Letter process and when it would begin. Mrs. Ericka Walker addressed her question by indicating that the applicant must have submitted an application for a Dental Assistant Level I or</p>

II registration. The applicant must also be working in the District under the supervision of a dentist who is also licensed and practicing in the District. Once the supervising dentist agrees to supervise the applicant and completes the form, they would submit the form to the Board. In response to Ms. Oglesby-Morris' follow up question regarding the necessity of a Supervisory Practice Letter in conjunction with her practice agreement with her dental assistant training school and its externship with dental practices in the District; Ms. Carla Williams clarified that a SPL gives an individual (who already meets the requirements and has applied for registration) the opportunity to practice while their application is under review and awaiting approval. In her case, Hands-On Dental Assistant Training School is for individuals who are learning to be dental assistants and therefore do not yet meet the requirements for registration. Ms. Williams reiterated that while they are still in training, the externship practice agreement stands.

Mr. Kurt Gallagher, Executive Director of the DC Dental Society thanked the Board and Mrs. Walker for the presentations as he indicated that they were very helpful and educational for members in the community. Mr. Gallagher requested for some of the slides that were presented during the meeting for the general public. Additionally, in view of the upcoming Board of Dentistry license renewal season, Mr. Gallagher recalled Mrs. Walker's statements earlier in the year regarding providing webinars/presentations on the renewal process and asked if it was still in the pipeline. **Mrs. Ericka Walker** indicated that the webinar/presentation is in the works. It will be recorded and posted on our website that way it will be on-demand for anyone who wants to review it. Mrs. Walker also advised that stakeholders/licensees can expect this webinar to be available during the month of August.

Dr. Roya Pilcher asked for clarification on the process for the approval of a dental assisting training school as she stated that she was informed when she completed the webinar with the HELC in January 2022, that she needed to obtain approval from the Board of Dentistry first before submitting her application to HELC. However, it is incorrect as she is now to complete the application with the HELC and they will approach the Board as the subject matter experts and she would not need to contact the Board for anything during the application process of which Mrs. Walker and Dr. Bailey affirmed her statement. Mrs. Walker reiterated that a formal process is currently underway, and that Ms. Henry spoke to the collaborative work of both agencies to ensure both are in sync and providing the same information. Mrs. Walker also indicated that once the process is finalized, it will be posted on the website.
