GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF MEDICINE

IN RE:	:
ANDREW CRUZ, MD	:
License No.: MD210002792	:
Respondent	:

AMENDED TERMINATION ORDER

This matter comes before the District of Columbia Board of Medicine regarding the *Notice of Summary Action to Suspend License* entered on December 20, 2023 (incorrectly dated as 12/20/22 on the original document) by the Department of Health against Respondent's license.

Respondent has worked with the D.C. Board of Medicine (Board) regarding the incident at issue and his license has been restored in the state of Arizona. In accordance with 17 DCMR 4118, the Board is now entering an Order restoring the Respondent's license to ACTIVE status.

ACCORDINGLY, IT IS ORDERED, by the District of Columbia Board of Medicine, that the *Notice of Summary Action to Suspend License* entered on December 20, 2023 is now TERMINATED; and it is further

ORDERED, that this Termination Order shall be a public document, and shall be distributed as appropriate.
