vaccine refusal form available at www.doh.dc.gov

1 At all ages and grades, the number of doses required varies by a child's age and how long ago they were vaccinated. Please check with your child's school nurse or health care provider for details.

2 All Varicella/chickenpox disease histories MUST be verified/diagnosed by a health care provider (MD, NP, PA, RN) and documentation MUST include the month and year of disease.

3 The number of doses is determined by brand used.

4 Quadrivalent Meningococcal (MenACWY). Dose #1 at 11-12 years of age is required. A booster dose is recommended at 16 years of age.

Email: doh@dc.gov

5 Two (2) doses if student receives first dose between 9 and 14 years of age with doses separated by 6-12 months. Three (3) doses if student starts series on or after 15 years of age.
