OPEN SESSION AGENDA JULY 18, 2025

OS-0718-06	**Supervision of LGPC by LMFT Policy** **Board:** The Board is review the vote from the previous Board meeting. **Background:** Vote wasn't properly recorded at the previous meeting and needs to be re-confirmed; and we wanted to state for the record that the request came from the owner of Counseling and Consulting on the Hill. A motion was made by Victoria Sherk to table this matter to the May 16, 2025, board meeting after each board member complete a review of	

	regional programs in counseling and marriage and family therapy at Trinity (Ms. Pope-Brown), Catholic University (Ms. Sherk), Howard (Ms. Golojuch), GW (Ms. Pope-Brown), Marymount (Ms. Golojuch) and University of Maryland (Ms. Sherk). Seconded by Laura Golojuch. A member of the public brought to the Board a request to consider MFT supervisors becoming LGPC supervisors. Currently in the LGPC Regulations, MFT's are not listed as approved supervisors for LGPCs. The MFT believes that the requirements for supervisor training for MFT aligns better for LGPC's than other allied health professions and it would expand access to a broader range of supervisors for LGPCs in the District. It would provide one means of addressing the shortage of mental health professionals in the District. A motion was made by Rhonda Pope-Brown to table the Board decision to the June 20, 2025, Board meeting after addition research has been completed by the Board members. Seconded by Victoria Sherk. Victoria Sherk, Rhonda Pope-Brown and Laura Golojuch voted in favor of the motion. The motion passed unanimously. A motion was made by Victoria Sherk to accept policy on allowing LMFT to supervise Licensed Graduate Professional Counselors (LGPC). Seconded by Laura Golojuch. Victoria Sherk and Laura Golojuch voted in favor of the motion. Rhonda Pope-Brown opposed the motion.	

OS-0718-07	**Remote Supervision Policy** **Board Action**: The Board is to review the clarified guidance on remote supervision and determine whether to accept the remote supervision guidance in regards to immediate supervision via telehealth. **Background**: A motion was made by Victoria Sherk to table the matter until the next Board meeting. Seconded by Laura Golojuch. Victoria Sherk, Rhonda Pope-Brown and Laura Golojuch voted in favor of the motion. The motion passed unanimously. This updated policy statement is replacing a current Policy Statement 21-001 dated July 9, 2021, that modifies the Board of Professional Counseling (Board)'s interpretation of "immediate supervision". Under the current policy, the District issues two (2) types of professional counseling licenses: Licensed Professional Counselor (LPC) and Licensed Graduate Professional Counselor (LGPC). An LGPC is a provisional or transitional license for graduates of professional counseling accruing 3,500 hours of supervised practice experience to qualify for an LPC license. Two hundred (200) of those hours must be	

	performed under immediate supervision, in which the supervisor must be physically present with the supervisee to discuss or observe the supervisee's practice. 17 DCMR § 6603.1(c). In addition, one hundred (100) of the required 200 hours must be obtained under immediate supervision of an LPC. 17 DCMR § 6603.1(c)(1). The supervisor providing immediate supervision under the current must meet the requirements for "immediate supervision" which is permitted real-time, synchronous communication between the supervisor and the supervisee using appropriate real-time technology such as telephone or audiovisual telecommunication. **The use of technology that does not involve real-time communication, such as e-mail or text messaging, while permissible as part of tele-practice and tele-supervision**, **does not constitute immediate supervision.** Under the updated remote supervision for "immediate supervision" the immediate supervision requirements permit real- time, synchronous communication between a supervisor and their Licensed Graduate Professional Counselor (LGPC) supervisee through the use of appropriate technology, but **only if the supervisee, the supervisor, and the clients being observed or discussed are physically located in the same jurisdiction.** A motion was made by Victoria Sherk to table the matter. Seconded by Rhonda Pope-Brown. Victoria Sherk, Rhonda Pope-Brown and Laura Golojuch voted in favor of the motion. The motion passed unanimously.	

OS-0718-08	**Motion to Close** **Board Action:** To go into closed session to discuss confidential matters as permitted in DC Official Code § 2-575(b). **Background:** Pursuant to DC Official Code § 2-575(b), the Board will move into the Closed Executive Session portion of the meeting to discuss the following: 1. To consult with an attorney to obtain legal advice and to preserve the attorney-client privilege between an attorney and a public body, or to approve settlement agreements pursuant to § 2-575(b)(4)(a). 2. Preparation, administration, or grading of scholastic, licensing, or qualifying examinations pursuant to section § 2-575(b)(6). 3. To discuss disciplinary matters pursuant to section § 2-575(b)(9). 4. To plan, discuss, or hear reports concerning ongoing or planned investigation of alleged criminal or civil misconduct or violations of law or regulations, if disclosure to the public would harm the investigation pursuant to section § 2- 575(b)(14).	

	THIS SECTION IS FYI ONLY **NO BOARD DECISION OR ACTION IS NEEDED**
OS-FY1	**Supervised Practice Form** **Update:** Pending the subcommittee meeting. **Background:** A supervised practice form is listed under section 9105.8 regarding the supervised experience requirement which requires the supervisor(s) to submit the completed form to the Board. The purpose of the graduate professional counseling license is to allow individual to practice under supervision of a licensed professional counselor. However, the regulations also indicate a supervisor, or supervisee shall submit a supervised practice form within 2 weeks of commencing supervision. In March 2022, the Board tabled to address the supervised practice form for the subcommittee.

OS-FY3	**EXAMINATION REQUIREMENTS FOR ENDORSEMENT APPLICATION (MFT)** **Board Action**: To discuss whether to adopt into policy for MFT applicants who have already taken and passed the nation exam in other jurisdiction in lieu of the AMFRTB National Exams for licensure by endorsement to the District of Columbia. Also, to discuss whether to adopt into policy whether to contact AMFTRB to enquire which other States have Exams that are comparable or equivalent to the AMFTRB National Exams for licensure in DC. **Background**: The current regulation under section 7706 indicates the waiver of examination and educational requirements for licensure. Certain applicants have been licensed in other for a longer duration. For example, over 10 years, and have the required practical experience most often are required to take the AMFTRB National Exams prior to licensure by endorsement in DC. Some states do have the examination waiver requirements for applicants applying by reciprocity provided they might have taken a state exam (example: California State Exams) which might be comparable to the National Exams. The Board to review section 7706 of the current regulations to identify if the requirements could be streamlined to facilitate the administrative, review, and approval process of applicants who fall under this category.
