- Chatbots powered by AI can provide instant answers to common pet-related questions.
- Educational resources can be personalized based on an individual pet's needs.

**ii. Natural Language Processing (NLP):**

- NLP algorithms can analyze veterinary literature, case reports, and clinical notes to extract relevant information.
- Veterinarians can benefit from AI-generated summaries and recommendations.

**iii. Diagnostics and Imaging:**

AI algorithms can analyze medical images (such as X-rays, MRIs, and ultrasounds) to assist veterinarians in diagnosing conditions like fractures, tumors, or organ abnormalities.

**iv. Predictive Analytics:**

- AI models can predict disease outbreaks, track disease trends, and assess risk factors in animal populations for example, predicting the spread of infectious diseases or identifying at-risk animals for preventive measures.

**v. Treatment Planning:**

- AI can recommend personalized treatment plans based on an individual animal's health history, genetics, and response to previous treatments.
- It can also suggest optimal drug dosages and monitor treatment effectiveness.

**vi. Health Monitoring:**

- Wearable devices and sensors equipped with AI can continuously monitor vital signs, detect anomalies, and alert veterinarians to potential health issues.
- This real-time monitoring enhances early disease detection and intervention.

**vii. Research and Drug Discovery:**

	<ul style="list-style-type: none"> <li>- AI assists in analyzing large datasets, identifying genetic markers, and predicting drug interactions.</li> <li>- It accelerates research and drug development for both animals and humans.</li> </ul> <p><b>viii. - VMA updates
- Map view of Legislative Sessions
- Conveniently linked news coverage of recent legislative activity and issues affecting the veterinary regulatory community.

The AAVSB is thrilled to bring you this new member service in support of its mission to support and advance the regulatory process for veterinary medicine. As this online resource center expands, Member Boards will gain a powerful research tool and increase their usability of key legislative advancements.

#### Dates to Remember

- 2024 AAVSB Annual Meeting & Conference — September 25 - 28, 2024 at the Loews Coronado Bay Resort in San Diego, CA

#### Bylaws Amendments

During the AAVSB's Business Session for the upcoming 2024 Annual Meeting & Conference, the Delegate Assembly will vote on the proposed Bylaws amendment. Please review the **[Proposed AAVSB Bylaws Amendment Packet \(PDF\)](#)**.

#### AAVSB Veterinary Team Survey

The American Association of Veterinary State Boards (AAVSB) released its conclusions of its 2023 survey which reached veterinarians and veterinary technicians across North America. The survey was focused on exploring the potential delegation of tasks within veterinary teams as well as the potential introduction of a midlevel veterinary practitioner under a valid VCPR.

**LEGISLATIVE/REGULATIONS**

**PDMP**

Mr. Matteo Lieb provided the following legal updates:

**Health Occupations Revision Act (HORA) Update:**

- DC Health worked on a significant revision of the HORA. This would be the first significant revision in seventeen years.
- The revised HORA received Mayoral approval and has been introduced in the Council as the *Health Occupations Revision General Amendment Act of 2023* ([B25-0545](#)).
- This legislation received a hearing on [December 7<sup>th</sup>](#). Over 80 witnesses, many of whom were healthcare professionals, signed up to provide testimony. DC Health's Associate Director of Health Professional Licensing Boards provided testimony in support and answered questions from the Council.
- DC Health has been working on the Committee on Health following that hearing. A mark-up was held on [March 21<sup>st</sup>, 2024](#). The legislation was passed unanimously by the Committee of the Whole on First Reading on April 2<sup>nd</sup> and on Second Reading on May 7<sup>th</sup>. The legislation was signed by the Mayor on May 29<sup>th</sup> and will now go through Congressional Review. OGR anticipates this will become law by either early August or early September.

**DC Health Fiscal Year 2025 Budget Oversight**

- DC Health will have its Fiscal Year 2025 Budget Oversight hearing in early April. This hearing offers an opportunity for the Committee on Health to review DC Health's proposed budget for the 2025 Fiscal Year.
  - You can find information about the proposed Fiscal Year 2025 budget [here](#).
- There were two hearings, one on [April 10<sup>th</sup>](#) for public witnesses and one on [April 11<sup>th</sup>](#) for representatives from DC Health. During the hearing, there was discussion around staffing for health professional licensing boards and investments to address healthcare workforce issues.
- The mark-up for DC Health's budget in the Committee on Health was held on [May 9<sup>th</sup>](#). The marked-up FY25 budget was advanced unanimously out of Committee. It then went to the Committee of the Whole where it was passed on First Reading with 11 votes. The next legislative meeting is on June 11<sup>th</sup>.

**Council Recess:**

- The District of Columbia Council will be on recess starting on July 15<sup>th</sup> through September 15<sup>th</sup>.
- During that time, limited activity can take place by the Council.

**Pets in Housing Amendment Act of 2024:**

- On May 22<sup>nd</sup>, Councilmember R. White along with Councilmembers Bonds, Pinto, T. White, and Lewis George introduced the *Pets in Housing Amendment Act of 2024* ([B25-0827](#)).
  - This legislation limits fees by housing providers (monthly rent and security deposits) for pets as well as banning breed restrictions.
- This legislation has been referred to the Committee on Housing, but not hearing has been scheduled.

**Veterinarian Regulations**

<https://dcregs.dc.gov/Common/DCMR/RuleList.aspx?ChapterNum=17-28&ChapterId=699>

**Veterinary Technician Regulations**

<https://dcregs.dc.gov/Common/DCMR/RuleList.aspx?ChapterNum=17-112&ChapterId=3904>

**Veterinary Euthanasia Technician Regulations**

<https://dcregs.dc.gov/Common/DCMR/RuleList.aspx?ChapterNum=17-111&ChapterId=3903>

The new Veterinary Technician and Euthanasia Technicians regulations became effective Friday, August 6, 2021. At this time, the DC Department of Health will not be issuing registrations until the process is in place.

The Department of Health is currently creating the platform by which individuals can submit an application for registration as either a Veterinary Technician or a Veterinary Euthanasia Technician. Once the platform is available, there will be a grace period for which individuals will need to come into full compliance.
