HIGHLIGHTS

NOTE: This is a draft version of the February 17, 2022 Community Engagement and Education Committee (CEEC) Meeting Minutes which is subject to change. The final version will be approved at the March 17, 2022 meeting.

AGENDA	
ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:08 pm, followed by a moment of silence and introductions.
Review and Adoption of the Agenda	Lamont C. assumed the motion to adopt the agenda for February 17, 2022. There were no corrections. The agenda was adopted as presented.
Review and Approval of the Minutes	Jenné assumed the motion to approve the meeting minutes for September 23, 2021, October 21, 2021, November 16, 2021 and January 20, 2022. There were no corrections to any of the minutes. The motion was approved for all minutes as presented.
DMV History Project Update	<p>Jenné indicated that in the past week the committee launched the website and social media pages to start collecting more names and places for the on-going DMV History project. She described the project as a collaboration with COHAH, CEEC, the Montgomery County Department of Health and Intersectionality Research at George Washington University and others. The goal is to collect some oral narratives as well as other historical information about different people and places in the DMV and surrounding counties in Virginia and Maryland that were important to the HIV movement. One of the culminating goals is to hallmark historical markers of places that have had a great impact on the movement.</p> <p>Jenné further indicated that the next step is to have a one or two hour training in April for anyone who is interested in learning how to collect the stories. Anthony Guitierrez offered to sponsor the training by providing the venue and food. It was suggested to have an in-person training on Thursday April 14, 2022 at 6:00pm (venue to be determined) and a virtual training during the CEEC meeting on April 21, 2022. Anthony will reach out to Trina of the Kaiser Family Foundation, who has collaborated with him on other trainings to help present on how to capture someone's story. Emily would like to help plan an agenda for the training and activities.</p> <p>Jenné asked for suggestions on how to get more submissions. Some of the suggestions were:</p> <ul style="list-style-type: none"> • Make a small advertising card with a QR code on it that will take a person directly to the website. Becca K. of Food and Friends could help by including the cards in their delivery bags or making cards and flyers themselves for distribution • In-person requests • Send the information to all of the agencies funded by DCHealth. Direct it to the Executive Directors or Case Managers (i.e., Whitman Walker, SLK, etc.) to distribute during their support service groups • Create something that all the agencies can put on their social media • Leverage POWAB - to contact institutions of faith that have HIV ministries.

	<ul style="list-style-type: none"> • Reach out to Dr. Hodge because he is well networked around the HIV community and • Reach out to Dr. Hogan as well. <p>Detailed logistics will be hashed out at the next meeting.</p> <p>Jenné and Emily have received pictures from Wallace Corbett but have no context for them. When more pictures are submitted, it is requested to include a blurb or brief description about the photo. The photos can be submitted through dchealth.dc.gov/dmv-hiv-history-project and posted on Instagram at DMV/HIVHistory</p>		
D(Seeing) Project	Jenné tabled until next month.		
Announcements and Adjournment	<p>Sharon C. announced Philip S'. birthday today.</p> <p>Anthony reminded the committee that he had volunteered to give a quarterly training on behalf of CEEC. He offered to present with Trina on the Protocol Implementation Toolkit, tentatively on April 28, 2022 at the General Body meeting.</p>
