HIGHLIGHTS

NOTE: This is a draft version of the January 19, 2023, Community Engagement and Education Committee (CEEC) Meeting Minutes which is subject to change. The final version will be approved at the February 16, 2023, meeting.

AGENDA

ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:08 pm, followed by a moment of silence and introductions.
Review and Adoption of the Agenda	Jenné assumed the motion to adopt the agenda for January 19, 2023. The agenda was adopted as presented.

<p>Review and Approval of the Minutes</p>	<p>Jenné assumed the motion to approve the meeting minutes for December 8, 2022. There were no corrections to the minutes. The minutes were approved as presented.</p>		
<p>Youth Summit Discussion</p>	<p>Jenné recapped the discussion led by Dr. Anthony Fox for an event targeting youth (ages 18 – 30), who receive HIV services, and are known to be sexually active but do not attend meetings that discuss sexual health. It was suggested to have a mixer some time in February around Valentine’s Day or Madi Gras activities, if feasible. The mixer would be used as a focus group of sorts to determine what the youth would like to create for a larger event. Another option could be a rooftop spring mixer (late April – early May). Ideally Dr. Fox has money set aside for the event or Lamont will be allowed to use his P-card to pay necessary expenses.</p> <p>Next steps</p> <ul style="list-style-type: none"> • Send email message to the COHAH to see who may be interested in planning. • Determine the funding source for the event. • Determine who and where to pub and do outreach once we have the details. • Start thinking about how the actual event should run or look. <p>Let Jenné know of places event flyers can be dropped off. It was suggested to also reach out to student health associations to bring in a group of 15 people.</p>		
<p>D(Seeing) Project update</p>	<p>Jenné indicated that two (2) of the four (4) men’s groups for the photovoice project have been conducted. Two (2) more are about to begin for both prevention and care. She is hoping to recruit more women for the heterosexual women’s group, wrap up in the next month, move on to the institutional ethnography piece and then to the exhibit which will probably be in May. The GW Research assistants are dropping off flyers to organizations that weren’t reached last year to get the word out. Jenné will also send a flyer electronically and in Basecamp.</p>		
<p>Other Business</p>	<p>Lamont asked everyone’s thoughts about meeting in person again. He indicated that he purchased a few owls to conduct hybrid meetings. Another suggestion was given to have all meetings virtually and once a month have a meet up. Another suggestion is having (1) one in-person meeting quarterly. Lamont will send out a survey to the entire COHAH in the near future.</p>		
<p>Announcements and Adjournment</p>	<p>None noted.</p>
