AGENDA

ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:05 pm, followed by a moment of silence and introductions.

Review and Adoption of the Agenda	The core group working on the PrEP Protocol Summit was not present to give an update. Therefore, the topic was removed from the agenda and Jenné assumed the motion to adopt the agenda for June 22, 2023, with the necessary change.	
Review and Approval of the Minutes	With no corrections to the May 18, 2023 Meeting Minutes, Jenné assumed the motion to approve the minutes as presented.	
D-Seeing Project Update	<p>Jenné reported that the abstract submitted to the USCHA Conference, to present the themes discussed in the women’s groups, has been accepted.</p> <p>Preparation for the next phase of institutional ethnography is underway. The list of themes is being finalized to begin planning the interviews and observations with stakeholders. The goal is to have no more than 20 stakeholders interviewed and observed over the course of the summer with the help of the community co-researchers, one of whom is helping to organize the wholistic health theme. Regina J. will be asked to participate as a stakeholder in the interviews regarding wholistic health as it relates to religiosity and wellness.</p> <p>Jenné asked, regarding the wholistic health theme, is naturopathic and homeopathic medicine covered by Ryan White. Lamont responded that it depends on the service category. Jenné further asked if he was aware of any providers that offered services in that way and if the DOH, EHE or providers have websites that talk about those types of services. Lamont will consult with the CARE team for that information and suggested looking at the LinkU DMV webpage.</p>	
Youth Summit Update	Youth activities have been placed on hold while waiting to hear about activities HAHSTA is conducting that the CEEC can support. Alan J. indicated that Hanna Sheehy sent email invites regarding the Youth Sexual Health Coalition’s virtual meeting scheduled for July 13, 2023, at 11:00 am.	
Other Business	<p><u>DMV History Project</u></p> <p>There are no updates on the DMV History Project. The project lost momentum after losing the support from the Baltimore team and may have to pass on to a different team to revitalize it.</p> <p>.</p>	
Announcements and Adjournment	None noted.
