**AGENDA**

ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:08 pm, followed by a moment of silence and introductions.

<p><b>Review and Adoption of the Agenda</b></p>	<p>The core group working on the PrEP Protocol Summit was not present to give an update. Therefore, the topic was removed from the agenda and Jenné assumed the motion to adopt the agenda for April 20, 2023, with the necessary change.</p>
<p><b>Review and Approval of the Minutes</b></p>	<p>Jenné assumed the motion to approve the meeting minutes for April 20, 2023. The minutes were approved as presented.</p>
<p><b>Youth Summit Update</b></p>	<p>Jenné indicated that CEEC proposed to do youth activities in collaboration with DCHealth/HAHSTA and asked for an update. Lamont indicated that to date the only event has been the Youth Services Provider Summit. Alan J. reported that the youth committee had not met to discuss future events. He is aware the Hanna reached out to the list of provider attendees she received from Philip Sain to develop a working coalition on youth services provider and to assure that everyone is at the table and aware of services and activities. Alan will follow up on the status of that communication. Alan has not received any guidance or information on any funding for future youth activities.</p> <p>Jenné is thinking about a grant funded youth activity using the photovoice method that would help expand the D-Seeing Project.</p>
<p><b>D-Seeing Project Update</b></p>	<p>Jenné reported the last D-Seeing group is concluding their sessions. Another group was developed (men attracted to men) for the prevention side. The group has met three (3) times. The last meeting is scheduled for June. More approvals are needed to move forward with the institutional ethnography. Fortunately, an extension was granted to complete the project by the fall, giving more time to finish the groups and prepare for the exhibit. Jenné also met with potential partners to help with curating the exhibit.</p> <p>Additionally, Jenné submitted an abstract to the USCHA to discuss the themes that were discussed in the women’s groups.</p> <p>Dominique H. shared her experience with working on the D-Seeing Project. She took notice of the different backgrounds and age groups of the participants and enjoyed hearing feedback from different individuals as they discussed barriers and issues. Jenné added that they are also trying to build into the project a feedback evaluation mechanism of the process to determine how it can be approved upon and inform the work of the COHAH, HAHSTA and the DCCFAR.</p>
<p><b>Other Business</b></p>	<p>Lamont reported that an email was sent to Jenné from Jose Delao on behalf of the HAHSTA Quality Team about making revisions in the quality program under HRSA regulations. The team is seeking to engage consumers in their quality activities and soliciting the help of CEEC in finding people that can serve on a quality committee that will meet once a month as subject matter experts in utilizing services.</p> <p>HRSA is looking for a select group of public health leaders and community members to invite to the Mid-Atlantic EHE Listening Sessions, June 20 &amp; 22, 2023 from 2:00 pm – 3:30 pm each day. Lamont will submit a list of active COHAH members to participate and hopes the Recipient will allow a broader</p>

	<p>reach to the COHAH community guests. Members who receive an invitation are under no obligation to accept the invite.</p> <p>Alan announced that Ashley Coleman sent out an email about the EHE podcast. They are recruiting another co-host and guests for season 2 of Positive Voices.</p> <p>JSI is hosting a lounge at the USCHA and asked Lamont to engage the COHAH. The lounge will provide a space for community planning groups across the country to catch up on emails or engage with other.</p>
