AGENDA

ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:05 pm, followed by a moment of silence and introductions.

<p>Review and Adoption of the Agenda</p>	<p>Jenné assumed the motion to adopt the agenda for April 20, 2023. With no additions or changes, the agenda was adopted as presented.</p>
<p>Review and Approval of the Minutes</p>	<p>Jenné assumed the motion to approve the meeting minutes for March 16, 2023. There were no corrections to the minutes. The minutes were approved as presented.</p>
<p>PrEP Protocol Summit</p>	<p>Logistics for the PrEP Protocol Summit, previously discussed to take place in May at the Human Rights Campaign (HRC) is still in discussion. HRC does not have any May dates available therefore other venues were considered. Lamont suggested using the 11th floor conference room at 441 4th Street, NW, DC. However, after further consideration that room would not be conducive to the type of assembly desired at the summit. Potentially, conference rooms 406-407 at DCHealth/HAHSTA can be used but a date is needed to check availability and reserve it. Jenné will consult with Anthony about the status of the planning process, (i.e., figuring out a date that is feasible, what support is needed, the agenda, who is invited to speak, etc.).</p> <p>Jed indicated that since the date is postponed, HRC may be available. Jenné suggested the second week in June. Jed would like to make time at the end of the summit for peer-to-peer interaction.</p>
<p>Youth Summit Update</p>	<p>Alan J. and other HAHSTA staff participated in a Youth Service Provider Summit along with Philip Sain and Anthony Gutierrez. Alan noted there were 30-35 attendees from various organizations in the EMA. Hanna Sheehy, who is working on the youth school-based team at HAHSTA, is compiling the attendees contact information to engage in a youth service coalition that hopes to coordinate efforts in meeting the needs of service organizations in providing youth services, activities, and programming. The collaboration in the coalition will enable organizations to support one another and help inform the work HAHSTA is doing. Alan further noted that there has been no update regarding funding specifically for youth activities. However, there will be events/activities rolled out for PRIDE event.</p> <p>Julie O. noted that Anthony and Philip conducted a survey at the beginning of the meeting. The data has not been compiled yet. She further indicated that there were break out groups conducted to discuss barriers in reaching the youth. Some of the barriers mentioned were transportation, funding for youth programming, education/training, and developing additional support for youth.</p>
<p>D-Seeing Project Update</p>	<p>The DC photo voice project is going well. There has been HIV testing among the black heterosexual women group, however, they were not interested in being engaged in HIV prevention and taking photos. To date there are not enough volunteers to move forward with that group. The rest of the group sessions are concluding, and the IRB approval needed to move forward to the institutional ethnography piece is pending. An extension from the May date to later in the year is being requested. More time was needed to plan the exhibit and complete all the groups. A list of people and places to do observations has been compiled and Jenné may ask for suggestions to go along with the themes. Jenné further noted that she is submitting an abstract at the USCHA Conference relating to the project hoping to secure some</p>

The Washington, D.C. Regional Planning Commission on Health and HIV (COHAH) will invigorate planning for HIV prevention and care programs that will demonstrate effectiveness, innovation, accountability, and responsiveness to our community.

	funding and allow some of the community co-researchers an opportunity to speak on the project.		
Other Business	Jenné noted that the DMV History Project will remain in the Sandbox due to the lack of staff support and funding.		
Announcements and Adjournment	None noted.
