HIGHLIGHTS

NOTE: This is a draft version of the May 21, 2020 Community Engagement and Education Committee (CEEC) Meeting Minutes which is subject to change. The final version will be approved at the meeting on June 18, 2020.

AGENDA

ITEM	DISCUSSION
Call to Order	Jenné M. called the meeting to order at 5:06 pm, followed by a moment of silence and introductions.

Review and Adoption of the Agenda	Sharon C. motioned to adopt the agenda for the May 21, 2020 CEEC Meeting. The motion was properly moved and seconded. The motion was approved unanimously.
Review and Approval of the Minutes	Antonio W. motioned to approve the CEEC Minutes for April 30, 2020. The motion was properly moved and seconded. The motion was approved unanimously.
Review and confirm CEEC Workplan for 2020	Jenné briefly discussed the effects the COVID-19 closures and ordinances have had on some of the activities listed in the CEEC work plan. However, there has not been a need to change anything in the plan except the adjustments to the Community Listening Sessions (CLS).
CLS Contingency Plan Debriefing	<p><u>Introduction (SLK)</u> The committee agreed that the CEEC and PS19-1906 introduction, presented at the SLK Support Group meeting was successful. The session was engaging and enlightening for the participants, the CEEC and the PS19-1906 staff. The participants now have an interest in learning more about CEEC and the COHAH. In addition to being organic and conversational, Jenné noted that some of its success may have been a result of the trust and rapport established in the pre-existing group. Jenné asked what the committee thought about having the same kind of CLS with groups that were not pre-existing. Ken P. raised the issue of vulnerability and the lack of trust that may exist in open meetings where people may not know each other. Weighing the issue, it was decided to have an Open Meeting in Suburban Maryland and a Closed Meeting in Virginia. The Maryland meeting will be in lieu of the regularly scheduled CEEC meeting on June 18, 2020. It will be a combined meeting of introduction and breakout sessions. The time will be pushed back to 6:00.</p> <p>The date and time for a Virginia meeting will be scheduled once Virginia groups have been identified.</p> <p><u>May 14, 2020 Breakout Session</u> Notes were taken during the introduction session that were used to go more in-depth with the group during the breakout session. A follow-up session is scheduled for Wednesday, May 27, 2020. Ken indicated that we must be intentional moving forward in finding out what the needs are post COVID-19 as it relates to informing the COHAH and Ending the Epidemic.</p> <p><u>Plan Virginia Group Sessions</u> Th committee will identify groups that can be joined virtually. Inova Juniper and Nova Salud were suggested. Ken will reach out to his contacts at the Virginia Department of Health. Sharon C. will reach out to COHAH's Virginia Commissioner, Gerald Padmore, who is very active in the Virginia groups. Information will be posted in Basecamp to prepare planning a session.</p> <p>The committee will continue to look for other Maryland and DC support groups to engage in as a CLS. Information will be posted in Basecamp with contact information and the days and times the groups meet.</p>

	<p>Krista H. suggested advertising via pharmacies, especially since a lot of them are providing home deliveries. Sharon indicated that she could send a flyer to Carmi Washington Flood, who has a 300-person listserv.</p> <p>There was discussion about the ability to continue offering the incentives. Ken indicated that the PS19-1906 grant, which provided the previous incentives, is being extended until December. Therefore, there is no need to discontinue the collaboration at this time.</p> <p>Jenné will ask Kaleef M. to create a flyer for the upcoming events, set up an Eventbrite, and set up a Zoom Conference and Video call.</p>
Announcements and Adjournment	<p>Jenné announced that George Washington University is conducting quantitative interviews with black men (gay, bisexual, MSM, ages 15-34) who have recently had HIV testing or screening and tested negative to measure the experiences with testing and PrEP in the DMV area. There are 17 slots left. Fifty-dollar (\$50) gift cards are given as incentives.</p>
