Julio indicated that there needs to be a conversation about recruitment for the committee and that basecamp should be utilized more.</p>

Continuing Education	<p><u>Housing – Plan CEEC meeting w/Sarcia Atkins (choose a date)</u></p> <p>Julio suggested having Sarcia Adkins, or someone she knows, come to the CLS to answer any housing question instead of giving the committee an overview.</p> <p>There was discussion about attendees walking away with no tangible information. Misty C. volunteered to bring information pamphlets, condoms, medication disposal bags etc. to the CLS for the community.</p> <p><u>Prevention & COHAH – Coordinating info session on previous prevention planning group responsibilities; Invite Nestor Rocha; Visiting MD and VA prevention planning bodies (choose a date)</u></p> <p>Julio suggested having Nestor speak at the beginning of the November meeting to possibly help inform any workplan updates.
