

December 22, 2023

Dear Stakeholders,

I hope this email finds you well. The Board of Medicine would like to remind all stakeholders that athletic trainers working in the District of Columbia must submit completed applications for licensure by December 31, 2023.

The online license application, along with other relevant information, can be found on the following webpage <https://dchealth.dc.gov/page/athletic-trainer-licensing>. Please note that we only allow online applications and that licenses will be provided electronically. Applications cost \$264.00 and, if granted, will be valid for up to 2 years, depending on the date of issuance.

Athletic trainers who continue to practice without an active, temporary, or pending license after December 31, 2023, will be subject to disciplinary action by the Board of Medicine and potential prosecution for unlicensed practice.

We appreciate your continued commitment to upholding the highest standards of healthcare in the District. Please do not hesitate to contact the Board with any questions or concerns via email at [dcbomed@dc.gov](mailto:dcbomed@dc.gov) or phone at (202) 724-4900.

Sincerely,

Sithembile Chithenga MD, MPH.  
Executive Director  
Board of Medicine
