

Calling All D.C. Healthcare Training Providers!

Join the High-Need Healthcare Career Scholarship Program

DC Health needs your expertise to address the growing shortage of healthcare professionals in high-demand fields. The High-Needs Healthcare Career Scholarship Program (HNHCSP) is here to support you in expanding your capacity to train the next generation of healthcare workers.

Why Partner with HNHCSP?

- ❖ **Funding Support:** Train and certify professionals in high-need fields.
- ❖ **Program Expansion:** Improve program accreditation, update curricula, train faculty, and invest in technology to enhance your healthcare training programs.
- ❖ **Impact Communities:** Address the critical shortage of healthcare professionals, improve healthcare equity in D.C and provide residents with the skills needed to succeed in a career in healthcare.

Participant Requirements

Trainees commit to:

- ❖ Working 2+ years in D.C. healthcare post-training.
- ❖ Providing full-time services (40 hrs/week).

- Advanced Emergency Medical Technicians (AEMT)
- Certified Nurse Aides (CNA)
- Emergency Medical Technicians (EMT)
- Home Health Aides (HHA)
- Personal Care Aides (PCA)
