## HIGHLIGHTS

*NOTE: This is a draft version of the June 16, 2022, Community Engagement and Education Committee (CEEC) Meeting Minutes which is subject to change. The final version will be approved at the July 21, 2022, meeting.*

## AGENDA

ITEM	DISCUSSION
<b>Call to Order</b>	Jenné M. called the meeting to order at 5:08 pm, followed by a moment of silence and introductions.
<b>Review and Adoption of the Agenda</b>	Jenné assumed the motion to adopt the agenda for May 19, 2022. The agenda was adopted as presented.
<b>Review and Approval of the Minutes</b>	Jenné assumed the motion to approve the meeting minutes for May 19, 2022. There were no corrections to the minutes. The minutes were approved as presented.
<b>D (Seeing) Project &amp; DMV History Project Update</b>	<p>CEEC's original plans for a kick-off event to conduct training for the DMV History Project has been pushed back until the fall due to of the changes with the core group's work assignments. Discussions will resume at the July or August meeting.</p> <p>Jenné thanked everyone for the organization information and ongoing groups to contact about the project and different community members who are interested in being co-researchers and sharing their experience with HIV prevention and care services in the DMV area. Jenné's project coordinator will begin to contact some of the referrals. Rather than the traditional ways of data collection, the community members can use cameras and other creative ways (i.e., artwork, drawings, staged photos, etc.) to document their experience.</p> <p>The project website is up but not complete. Flyers were also created however, after receiving community feedback, the flyers will be revised for better presentation and logistical information.</p>
<b>Protocol Implementation Summit Update</b>	<p>Anthony G. indicated that he is working on assembling a working subcommittee to help with preparation for the summit. He recruited Kenny Palmer and Camilla Stanley and appointed Camilla as his Co-Chair of the committee. He would like to have a diverse group of five (5) people by or before the end of June. The next steps in preparation will be to:</p> <ul style="list-style-type: none"> <li>• Identify a location and determine its parameters (i.e., available times, food restrictions, parking, etc.).</li> <li>• Create an agenda.</li> <li>• Decide on speakers and the information to be presented (reaching out to the health departments and different organizations that will share their protocols).</li> </ul> <p>Once the committee is assembled Anthony will report back to the CEEC. Having CEU's available will help in getting people engaged.</p>
<b>Other Business</b>	Jed B. submitted questions about PrEP that would potentially add to the Protocol discussion or another activity. Jed asked:

	<ul style="list-style-type: none"><li>• What are the current activities around Long-Acting Injectable PrEP in DC?</li><li>• Has the topic been raised in spaces where CEEC and COHAH members work?</li><li>• Are there activities CEEC and COHAH should be engaging in around this topic?</li></ul> <p>Jed mentioned a survey conducted in DC about the use of Long-Acting Injectable PrEP vs daily oral consumption. If given the choice 70% of the 300 participants preferred Long-Acting Injectable PrEP over the daily oral method. Camilla indicated that she spoke with at least 8 providers about the subject. Two of the providers are currently providing the Long-Acting Injectable PrEP. The others are trying to determine whether they have the appropriate staff to provide the logistics around getting the medications, following up with clients after 2 months for their next injection, etc. She is putting together a form with one of the providers from Whitman Walker to help other providers understand more about Long Lasting Injectable PrEP.</p>		
<b>New Business</b>	<p>Lamont indicated that the 2022 -2026 Integrated Plan is being developed. HAHSTA will reach out to different organizations and communities for engagement sessions that will target a number of different populations (i.e., black cisgender women, black cisgender heterosexual men, black MSM, Latino MSM, transgender women, youth, or young adults between ages 13-24 and the aging population).</p> <p>Initially it was decided to attend existing support groups, create stand-alone meeting for the different populations we are seeking to engage with as well as provider conversations around the four (4) pillars of HIV which are to diagnose, test, treat, and respond. Ten-dollar gift cards will be given to community participates.</p> <p>Contact Lamont or Alan with any information about groups or support groups for the target populations.</p>		
<b>Old Business</b>	N/A		
<b>Announcements and Adjournment</b>	Regina J. announced the Community Day Health and Wellness Fair on August 27, 2022, in partnership with Valley Green Day, the largest community day in SE Washington, DC for the past 20 years. If you know of anyone interested in volunteering or is interested in having a table at the event, contact Regina at <a href="mailto:regina.jefferson@dc.gov">regina.jefferson@dc.gov</a> or call 202-671-5063.
