

[D.C. Official Code § 3-1210.12](#) establishes cost maximums for what a healthcare entity can charge for personal medical records. The District of Columbia Department of Health is responsible for publishing adjusted fee maximums each year. The adjusted fees below were calculated using the change in the [Consumer Price Index for the Washington, DC metropolitan area](#) between November 2023 and November 2024 (2.7%):

2025 Adjusted Fee Maximums	
Electronic Records	
Search and handling fee (even when no records are found)	\$24.34
Per page fee	\$0.70 per page
Total page fee maximum	\$92.08
Non-electronic Records	
Search and handling fee (even when no records are found)	\$24.34
Per page fee	\$0.93 per page

If you have any questions about these adjusted fee maximums, please contact DC Health at doh@dc.gov.
