CONSENT ORDER

This matter comes before the District of Columbia Board of Medicine (the “Board” or “D.C. Board”) pursuant to the Health Occupations Revision Act (HORA). D.C. Official Code § 3-1201.01, *et seq.* (2016 Repl.). The HORA authorizes the Board to regulate the practice of medicine in the District of Columbia. The Board has broad jurisdiction to impose a variety of disciplinary sanctions upon a finding of a violation of the HORA. D.C. Official Code, § 3-1201.03; *Mannan v. District of Columbia Board of Medicine*, 558 A.2d 329, 333 (D.C. 1989). The Council of the District of Columbia, in amending the HORA, “intended to strengthen enforcement of its licensing laws.” *Davidson v. District of Columbia Board of Medicine*, 562 A.2d 109, 113 (D.C. 1989). And the HORA “was designed to ‘address modern advances and community needs with the paramount consideration of protecting the public interest.’” *Joseph v. District of Columbia Board of Medicine*, 587 A.2d 1085, 1088 (D.C. 1991) (*quoting* Report of the D.C. Council on Consumer and Regulatory Affairs on Bill 6-317, at 7 (November 26, 1985)) (emphasis added by court).

Background

Dr. Navita Modi (Respondent) has been licensed to practice medicine in the District of Columbia since November 30, 2004. Her license expires September 30, 2027. Respondent is also licensed to practice medicine in the state of Maryland and Virginia. Respondent does not practice medicine in the District of Columbia.

On February 6, 2023, the Maryland State Board of Physicians issued a Final Decision and Order (Maryland Order) which included a reprimand of her Maryland license, a one (1) year probation, and an administrative fine of two thousand five hundred dollars (\$2500.00). The sanction was issued based on a finding that she “fail[ed] to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital or any other location in this state ("standard of care") and . . . fail[ed] to keep adequate medical records as determined by appropriate peer review,” (Maryland Order p.1). The Respondent complied with all terms of the Maryland Order. Her one year (1) probation was lifted and terminated effective August 21, 2024.

The Board considered the Maryland Order on December 11, 2024, and offered the Respondent the option to enter into a Consent Order based on reciprocal disciplinary action in Maryland. Respondent and the Board have agreed to enter into this Consent Order.

Conclusions of Law

The D.C. Board is authorized, pursuant to D.C. Official Code § 3-1205.14(a)(3), to take reciprocal action when a respondent has been disciplined by a licensing authority of another jurisdiction for conduct that would be grounds for Board action. In pertinent part, D.C. Official Code § 3-1205.14(a)(3) states:

Each board, subject to the right of a hearing as provided by this subchapter, on an affirmative vote of a quorum of its appointed members may take one or more of the disciplinary actions...against any person permitted by this subchapter to practice a health occupation regulated by the board in the District who **is disciplined by a licensing or disciplinary authority...of any jurisdiction for conduct that would be grounds for disciplinary action under this section.** (emphasis added)

The Maryland Order findings indicate conduct that is a violation of D.C. Official Code § 3-125.14(a)(26) (fails to conform to standards of acceptable conduct and prevailing practice within a health profession), and D.C. Official Code § 3-1205.14(a)(37) (fails to keep adequate medical, dental, health, or client records, as determined by a review of a board).

Accordingly, Respondent's conduct has provided the Board with a basis in law and fact to issue reciprocal action against Respondent under the authority of D.C. Official Code §§ 3-1205.14(a)(3), (26) and (37).

ORDER

Based on the forgoing, it is by the District of Columbia Board of Medicine hereby, **ORDERED**, that Respondent's license is **REPRIMANDED**; and it is further **ORDERED** that Respondent shall comply with all laws, rules, and regulations of the District of Columbia, while within its jurisdiction; and it is further **ORDERED**, that this is a public document.
