OPEN SESSION FYI – NO ACTION NEEDED

FYI-OS-1220-01	<p>DC HEALTH COVID-19 PANDEMIC HEALTH AND HEALTHCARE RECOVERY REPORT</p> <p><u>Background:</u> On May 28, 2021, Dr. LaQuandra Nesbitt shared the DC Health public health framework for post-pandemic recovery. The report provides an assessment of the District's current and emerging health needs while offering solutions for improving our health system in five domains: workforce, healthcare facilities, health information technology, health planning, and community health service and offers recommendations for collective post - pandemic recovery through the strategic investments in high-impact programs and policies.</p>	
FYI-OS-1220-02	<p><u>COVID-19 VACCINE CONTINUING EDUCATION</u></p> <p><u>Background:</u> DC Health through emergency rulemaking, has now mandated that a person licensed to practice one of the identified professions (see Appendix) must complete two (2) hours of continuing education on COVID-19 vaccines, including, but not limited to, COVID-19 vaccine safety, best practices for counseling patients about COVID-19 Vaccines, and COVID-19 vaccine efficacy and effectiveness, on or before September 30, 2021. These hours of continuing education may be counted as hours required for public health priorities training hours or optional training hours where applicable. Note: The two (2) hour COVID-19 vaccine continuing education CE's will need to be submitted if the applicant is applying for reinstatement, reactivation and the next renewal cycle.</p>	
FYI-OS-1220-03	<p><u>LICENSURE WAIVER</u></p> <p><u>Background:</u> Beginning September 22, 2021, health care practitioners licensed in good standing in other states (who are vaccinated against COVID-19 unless granted a medical or religious exemption by the Department of Health) will be able to practice in DC without a license at a health care facility or via telepractice to an existing client/patient for continuing care until March 31, 2022.</p>	
FYI-OS-1220-04	<p>COVID-19 VACCINATION REQUIREMENT FOR LICENSED HEALTH PROFESSIONALS AND UNLICENSED HEALTHCARE WORKERS</p> <p><u>Background:</u></p>	

	<p>All licensed, certified, and registered health professionals and all unlicensed healthcare workers must fulfill the requirement to receive at least one dose of a COVID-19 mRNA vaccine (Moderna or Pfizer) or the single dose Johnson & Johnson vaccine no later than September 30, 2021. Failure to meet this requirement can result in disciplinary action including suspension and revocation of a health professional’s license, certification, or registration.</p> <p>Note: Applicants are now required to complete this information when submitting an initial, reinstatement, and reactivation application.</p>	
FYI-OS-1220-05	<p>TEMPORARY WAVIER OF LICENSURE REQUIREMENTS FOR CERTAIN HEALTHCARE PROVIDERS</p> <p>Background: Until October 31, 2021, an individual may engage in the unlicensed practice of providing healthcare to District residents for a particular health occupation if the individual:</p> <ul style="list-style-type: none"> (a) Is licensed in good standing in another jurisdiction in the applicable healthcare occupation. (b) Has not been issued a suspension or revocation order by a District of Columbia health occupation board; (c) Files an application with the Department of Health by October 1, 2021, or ten (10) calendar days after the individual first engages in the unlicensed practice of providing healthcare to District residents pursuant to this section, whichever is later, for a health occupation license that would allow the individual to continue to provide healthcare services in their health occupation after October 31, 2021; and (d) Provides healthcare services pursuant to this section only: <ul style="list-style-type: none"> (1) At a licensed or certified healthcare entity listed in subsection 4020.2 of this section, which may include the provision of healthcare services by telehealth; or (2) To an established patient who has returned to the District of Columbia, and the individual is providing continuity of care to the patient by telehealth in accordance with applicable laws and regulations.
