OS-1123-06	<u>Request for Supervised Practice for BSW and MSW Graduates</u> <u>Board Action:</u> To discuss the possible implementation of a supervised practice form to allow MSW and BSW graduates to work under supervision while they wait to sit for the national examination. <u>Background:</u> During the September 28, 2020 meeting, Ms. Loretta Rodts from Community Connections addressed the Board and expressed the need for the Board to allow MSW and BSW graduates to work unlicensed under supervision. A number of community organizations have signed a letter in support of the implementation of a supervised practice letter by the Board of Social Work. During the October 26, 2020 meeting, the Board discussed the following and had questions that required further research. They tabled the matter for further discussion with increased external participation. <ul style="list-style-type: none"> • Clarity regarding what the implementation of a supervised practice form would entail. • Ask staff questions regarding possibly increased workload. • How would the implementation of the supervised practice form be monitored and tracked? • The need for the external stakeholders to have conversations with the test developer ASWB. • Does the exam pass rate increase with the use of supervised practice? • What role are employers willing to play? 	

OS-1123-07	<p><u>Ethical Concerns with DC Sexual Assault Victim’s Rights Amendment Act of 2019</u></p> <p><u>Board Action:</u> Discuss the potential impact the law will have on licensees.</p> <p><u>Background:</u> The Board received an email from Ms. Sherrod regarding the DC law on Teen advocates. The DC Sexual Assault Victims’ Rights Amendment Act of 2019 included the right to an advocate for 13 to 17-year-old youth in DC who have experienced sexual assault. For youth in this age range who were specifically impacted by peer-on-peer or stranger assault, the right to an advocate comes with an exemption to mandated reporting. Licensee would like the Board’s guidance since it had potential ethical implications on social workers.</p>
