

Qlarant, formerly Delmarva Foundation, is pleased to inform you of several webinar programs with free CE for pharmacists and for other healthcare professionals too.

Please share this communication widely within your organization, with peers and colleagues and patients (programs # 3 and #4).

1. **Opioid Safety: A Community Pharmacy Intervention to Prevent Opioid Adverse Drug Events**

All the information about the project, including resources, tools and the CE link are found here <https://atlanticquality.org/initiatives/drug-safety/opioid-safety-com-pharmacy-intervention/>

The CE is free for DC Pharmacists. Pharmacists must use a DC address to create an account and register. If their home address is not DC, use the DC work address or the code does not work and the cost will be \$25.

2. **New Partnership with the American Heart Association**

The **Anticoagulation Forum** and the **American Heart Association** are partnering to elevate awareness among health care professionals and patients.

Visit our [Shared Resource](#) page for more information and valuable tools.

Webinar - Vascular Protection: Preventing Thrombotic Complications of VTE and PAD

Thursday, October 11, 2018 2:00 PM ET

Guest Speakers:

Geoff Barnes, MD, University of Michigan Health System
Scott Damrauer, MD, Perelman School of Medicine, University of Pennsylvania

AC Forum Moderators:

Tracy Minichiello, MD, Sara Vazquez, PharmD, Diane Wirth, ANP, CACP

The **Anticoagulation Forum**, in partnership with the **American Heart Association**, is pleased to present this special educational webinar combining two important missions - PAD Awareness Month and World Thrombosis Day.

Drs. Barnes and Damrauer will lead the discussion as they explore two cases, demonstrating how practitioners can effectively manage patients with PAD and VTE. Questions can be submitted in advance and our seasoned panel of experts from AC Forum and the AHA will help explore audience questions as we delve deeply into these topics.

Don't miss this opportunity to learn more about improving the health outcomes for your patients and to have direct access to our panel of experts.

they process and react to information. Actionable tips will be shared to help providers, partners, and QIN-QIOs promote improved immunization rates. This event will also be framed by a patient perspective shared through personal story.

This activity has been approved for AMA PRA Category 1 Credit™. This activity is eligible for ACPE, ANCC, AANP, and CDR credit; see final CPE/CE activity announcement for specific details.
