

Toolkit Purpose

This Toolkit is designed to help people find information and resources on food assistance programs in the District, including how to qualify and apply. This Toolkit is not a complete list of food resources or eligibility criteria. More information can be found by calling the phone number or visiting the listed websites under each program.

How to Use

This document outlines potential programs a person may be eligible for by age. To understand your potential program eligibility:

-  Choose the brochure that matches the age of the person needing food assistance.
-  Review the programs listed in the brochure to see what programs may match your needs.
-  Find more information on a program by visiting the website listed under each program description.
-  Visit the online **Eligibility Estimator** to see what programs you may qualify for by going to the back of this brochure and scanning the QR code.

Eligibility Estimator

The DC Federal Nutrition Programs Eligibility Estimator Tool can help find programs you may be eligible to receive. To use the Tool, visit the website or QR code listed below. After you answer the 10-question Tool, the Tool will create a list of programs you may be eligible to receive with a link to more information on each program. All answers are kept completely confidential.
