FIGHT THE BITE!
Be Safe. Be Protected.

MOSQUITO BITE PREVENTION TIPS
• When outdoors, wear long sleeves, pants, socks and shoes.
• Apply Environmental Protection Agency (EPA)-approved insect repellent to exposed skin and/or clothing as directed by the product label.
• When indoors, use air-conditioning and ensure that windows have untorn screens and doors are secured.

MOSQUITO CONTROL TIPS
• Empty or throw away water-filled containers.
• Cover or turn over empty items that collect water.
• Clean and scrub bird baths and pet-watering dishes weekly.
• Report high numbers of mosquitoes or standing water in your neighborhood by calling (202) 442-5833 or emailing mosquito.info@doh.gov.
