6. A clean hands form.
7. If you are a graduate of an approved school of optometry prior to JULY 1, 1992, you must arrange for your school to forward a transcript showing successful completion of a minimum of 160 hours in the TMOD.

PRESCRIBING OF CONTROLLED SUBSTANCES

The D.C. Board of Optometry is currently working with the Department of Health to clarify the prescriptive authority for controlled substances. At this time, no D.C. optometrist is permitted to prescribe controlled substances. The Board will be in contact with licensees when a final determination is made. If prescribing of controlled substances is approved, information will be forwarded regarding the registration procedure.

All application materials should be forwarded to:

DC Board of Optometry
P.O. Box 37802
Washington, D.C. 20013
