September 8, 2008

Dear Nursing Home Administrator:

We have implemented the requirement pursuant to Title 22, District of Columbia Municipal Regulations, Chapter 19-Pharmacies, that all non-resident pharmacies dispensing or distributing prescription drugs or medical devices directly or indirectly to persons within the District of Columbia be registered with the Department of Health, Health Regulation and Licensing Administration.

To avoid non-compliance with the new requirement (failure to have a non-resident pharmacy registered in the District of Columbia), please have your pharmacy provider contact the Office of Pharmaceutical Control to obtain a registration packet..

If you have further questions, please contact the Pharmaceutical Control Office at (202) 727-9856.

Sincerely,
