📢 **New Announcement from DC Health: CNA Application Now Available in Salesforce**

The District of Columbia Board of Nursing is pleased to announce that the Certified Nurse Aide (CNA) application is now live in Salesforce. Individuals seeking CNA certification in the District can now apply directly through our online licensing system.

☞ To access the CNA application, please visit: https://dohenterprise.my.site.com/dchealthrenewals/s/licenseapplications

Applicants will be able to:

- Complete and submit their CNA certification application
- Upload required documents

Please Note:

- If you previously submitted your CNA application through Credentia and paid the applicable fees, you must still complete your application in Salesforce. However, do not hit "Submit"—instead, notify the Board of Nursing at bon.dc@dc.gov, and we will move your application forward.
- If you have not yet applied, you may begin your application now via the link above.

We appreciate your continued interest in serving the residents of the District, and we look forward to supporting your entry into the healthcare workforce.

For questions or technical support, please contact the Board of Nursing at bon.dc@dc.gov or call (202) 724-8800.
